

Our whole school priorities this year:

Teaching and Learning	Behaviour	Personal Development	Leaders in school	Reception
<p>To focus on grammar, spelling and punctuation to improve writing across school.</p>	<p>To celebrate and award good choices and positive behaviours.</p>	<p>To improve our understanding of different faiths and cultures.</p>	<p>To work together to make sure all students, no matter where they come from, have the same chances to learn and succeed school.</p>	<p>To use music, rhythm, and rhyme to help us become great at talking and reading.</p>
				

To be the best that we can be
